ABOUT US

Trace Axis Group LLC (TAG) is a Small Disadvantaged / Minority-Owned Small Business headquartered in Upper Marlboro, Maryland, delivering cybersecurity, IT infrastructure, project management, and logistics support to federal agencies and prime contractors. Founded by a DoD-cleared professional with over a decade of defense and IT experience, TAG combines technical expertise, disciplined project management, and mission-driven focus to strengthen federal operations and compliance.

With active Security+ certification and ongoing CISA and ScrumMaster credentials, TAG integrates federal security frameworks such as RMF, NIST, FedRAMP, and FISMA into every engagement. The firm's DC Metro proximity ensures responsive, on-site support and rapid staff augmentation for mission-critical programs.

CORE COMPETENCIES

- **Cybersecurity Services:** RMF & FISMA compliance, vulnerability assessments, ATO support, incident response, and continuous monitoring.
- **IT Infrastructure & Support:** Network design, cloud migration, systems administration, help desk operations, and asset management.
- **Project Management Services:** Agile/Scrum leadership, modernization planning, requirements management, and performance reporting.
- **Facility & Logistics Support:** Asset tracking, GSA procurement, facility coordination, and supply chain management.

DIFFERENTIATORS

- **Cleared Leadership:** Secret-cleared owner (FSO-eligible) ensures rapid facility clearance sponsorship and secure operations.
- **Proven Federal Experience:** 10+ years supporting DoD IT, cybersecurity, and logistics missions with disciplined project delivery.
- **DC Metro Presence:** Strategic Upper Marlboro location enables responsive on-site and remote support across the DMV region.
- **Scalable Small Business Partner:** Supports primes in meeting SDB subcontracting goals with cleared, certified professionals.
